

FUNDS AVAILABILITY POLICY DISCLOSURE

YOUR ABILITY TO WITHDRAW FUNDS — This policy applies to all deposit accounts. Our general policy is to make funds from your cash and check deposits available to you on the same business day that we receive your deposit. It is also our policy to make wire transfers and electronic direct deposits available to you on the same business day that we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays and federal holidays. If you make a deposit in person to one of our employees on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit on a day when we are not open, we consider that the deposit was made on the next business day that we are open. If you make a deposit at any of our ATMs, we will consider that to be the day of your deposit.

GOVERNMENT, OFFICIAL, AND OTHER SPECIAL TYPES OF CHECKS — If you make the deposit in person to one of our employees, our policy is to make funds from the following types of deposits available on the same business day that we receive your deposit:

- U.S. Treasury checks that are payable to you.
- State and local government checks that are payable to you.
- Cashier's, certified and teller's checks that are payable to you.
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you.

If you do not make your deposit of these checks in person to one of our employees (for example, if you mail the deposit), our policy is to make funds from the deposits available no later than the next business day after the day we receive your deposit.

OTHER DELAYS MAY APPLY — In some cases, we will not make all the funds that you deposit by check available to you on the same business day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. If we are not going to make all the funds from your deposit available on the same business day of your deposit, we generally notify you at the time you make the deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the next business day after we receive your deposit. If you need the funds from a deposit right away, you should ask us when the funds will be available.

LONGER DELAYS MAY APPLY

In addition, we may delay the availability of funds deposited by check into your account for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You have deposited checks totaling more than \$5,000.00 on any one (1) day.
- You have re-deposited a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six (6) months.
- There is an emergency, such as failure of communications or computer equipment.
- We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

HOLDS ON OTHER FUNDS — If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

SPECIAL RULES FOR NEW ACCOUNTS — If you are a new member, the following special rules may apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks will be available on the next business day after the day of your deposit if the deposit meets certain conditions. For example, the check must be payable to you. The excess over \$5,000.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000.00 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

DEPOSITS AT NONPROPRIETARY ATMS — Funds from any deposits (cash or checks) made at ATMs we do not own or operate may not be available until the second business day after the date of your deposit. This policy does not apply at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines.

FOREIGN CHECKS — Checks drawn on financial institutions located outside the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this disclosure. Generally, the availability of funds for deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institutions upon which they are drawn.
